
Ten Years with Power to Change

It's hard to believe, but this month marks ten years of full-time ministry with Power to Change for me! Ten years of helping students take their next steps towards Jesus. I'm so thankful for you and for each and every person who has supported me over the years. I know this community of ministry partners is a huge reason I've been able to continue in this work for this long, and I am grateful. I hope you'll enjoy taking a look back at the last decade through pictures and student quotes, and that you are reminded of God's goodness, faithfulness, and power to transform lives as you do so.

“I don't know where I would be if the expansion team hadn't come to UTM when they did. But I know I wouldn't be where I am now, and there are many lives, including my own, that have been changed because of the seed they planted in their time on campus.”

“I am so thankful for Power to Change and the opportunity it gives me to join with other Christians and tell others about a life with Jesus. God has taught me to trust Him and to walk in the Spirit as I talk to others about Him. He’s reminded me that He is the one who changes hearts, not us.”

“When you go on missions, God can use you to change a person's life, and I feel like I am that person. It makes me think, how will I go, and bless and impact those around me?”

“I’ve learned that evangelism should happen from a deep love

*for people and seeing them how
Christ sees them.”*

*“I really feel as though God
wants something to happen in
Halifax this year and I want to
take that step out of my safety net
and do something.”*

*“I’d never met Christians like
you before! I could finally see
what faith could look like in my
life.”*

“I just want to let you know how thankful I am for everything Power to Change has done for me. There are so many Christian groups on campus, but I feel blessed that God placed me in P2C. Looking back to first year, I really didn’t want to share my faith to others and never thought that I would ever reach this point. I have grown so much and it’s partly because of P2C! I now feel ready to learn and do evangelism. Again, thank you so much for everything!”

“Power to Change has been my most important Christian community during university; I didn’t know it would be such a need.”

“Your cooking kept me within earshot of the Great Commission.”

“I came here with questions about faith, ready to ask them in the group. Who knew that I would find answers to my questions here in the kitchen!”

“As I’m heading into my last term, I’m already grieving that my time with P2C is coming to a close. I’ve learned so much about serving as part of a multi-denominational team, with a group of people with diverse, wonderful gifts. I’ve been so blessed by the friends I’ve made, who’ve encouraged and challenged me with Scripture and to engage well with my courses and friends. It’s really been the richest part of my time at uni.”

***Thank you for your part in a decade of
ministry!***
